Putting the Wind Back Into Your Sails

Our keynote speaker for this year's conference is Nancy Barry. She is a 25-year corporate veteran, walked away from what she describes as "the best job in the world" to share her extensive business experience with others. She firmly believes "soft skills" are the key to success in life and business. Nancy's extensive business experience, contagious enthusiasm, positive energy, and humor make her a dynamic presenter. She will energize, motivate, and inspire you! To read more about Mrs. Barry please visit her website at www.nancybarry.com
